

Prospectors and Fossickers **Join NAPFA now to fight for** **better access to public land** **in NSW**

The NSW and ACT Prospectors and Fossickers Association Inc (NAPFA) was formed in December 2012 to improve fossicking access to public land in NSW and to represent our needs to Government.

This work is being done on behalf of all prospectors and fossickers in NSW and elsewhere, including those who are not NAPFA members. Our goals are consistent with similar associations in Victoria, Western Australia and the Northern Territory.

Join NAPFA now to help undo the unfair NSW environmental legislation and regulations that have locked us out of many productive areas. We seek to restore fair balance through better access and to improve regulations.

The prospectors who took the Oath at Eureka in 1854 swore before the Southern Cross to '*Stand Truly by Each Other*'.

This is your opportunity to do just that.

You can get more information and join online at www.napfa.net or fill out the form on the reverse side of this page and send it in.

Membership is only \$25.00 per year (higher rate applies to overseas members). The membership year ends on 31 December.

NAPFA is an honorary and voluntary organisation.

Join now to make us stronger. Don't sit on the fence with this important issue. If you want better access and conditions, you need to fight for them.

With your help, new areas will become available so more nuggets and gems can be found!
